

## **Hayling Island Rocks: Friday 7<sup>th</sup> to Monday 10<sup>th</sup> May 2010**

*Organiser: Dave Smith*

Dave and Mo Smith's trip last year to see the Rockin' Berries at the Warner Leisure's Coastal Village on Hayling Island was so much great fun by popular demand they are making a return trip in 2010.

From the moment you're greeted by a squadron of swans on the lake to your first leisurely stroll around the small central square, you're struck by the village's sense of community and well being. As with any thriving village there's a lot to do, from the bars, café and nightly entertainment to tennis, pitch 'n' putt, snooker, swimming, archery, indoor bowls, hair & beauty salon. For more information on the adults' only village, (childerbeasts are not allowed), go to: [www.warnerleisurehotels.co.uk](http://www.warnerleisurehotels.co.uk)

There is entertainment every evening but the main attraction for the weekend is the Rockin' Berries who were so good last year. To see the fun that was had by all take a look on our online photo-gallery.

Dave has managed to reserve 9 double and 2 single half-board standard plus rooms at a group discounted price of £150 per person. The £150 has to be paid to Warner's in February so we need the full amount by 31<sup>st</sup> January. The group discount may not be available after 31<sup>st</sup> January.
