

Twin Peaks: Friday 20th to Sunday 22nd August 2010

Organiser: Owen Miles

Come and enjoy a ride to one of our country's most beautiful, yet sometimes overlooked National Parks, the Peak District.

We will be spending two nights at the Yorkshire Bridge Hotel where SCUK members have stopped before and where we received good food, lovely accommodation and a warm welcome.

The hotel is situated on the shores of the beautiful Ladybower reservoir in Derbyshire's lovely Hope Valley.

On Saturday we will take a leisurely ride around some of the breath taking scenery and fantastic riding roads, before stopping for lunch. Upon our return you will have time to explore the local area and perhaps visit Chatsworth House before spending a relaxing evening of biker fellowship over dinner and a few pints.

The cost of two nights B&B at the hotel will be about £190 in a twin/double room or £125 in a single room. Lunches, dinners, fuel and drinks will all be extra.
